

NAVIGATOR RESOURCES LIMITED

ASX ANNOUNCEMENT & MEDIA RELEASE

9 June 2009

REVISED SHARE PURCHASE PLAN CLOSING DATE

Navigator Resources Limited ("Navigator", ASX: "NAV") currently has a Shareholder Purchase Plan ("SPP") in progress which was due to close on Wednesday, 10 June 2009. The Directors have decided to extend the Closing Date of the SPP to Friday, 12 June 2009 due to the calling of a Trading Halt, which interrupted trade in the Company's securities on the ASX on Friday, 5 June 2009.

Therefore, shareholders will now have until the close of business on Friday, 12 June 2009 to return their application form and funds to be able to participate in the SPP.

This will also mean that the Issue Date of new securities issued under the SPP will be moved to 17 June 2009 and the despatch date for holding statements and quotation of the new securities on the ASX will be moved to 19 June 2009.

The new forward timetable for the SPP is:

DATE	EVENT	DESCRIPTION
12 June 2009	Closing Date	SPP closes
17 June 2009	Issue Date	Shares issued under SPP
19 June 2009	Despatch Date	Despatch date for holding statements
19 June 2009	Quotation Commences	Shares issued under SPP expected to commence quotation on ASX

The SPP is being managed by BGF Equities with the intention that should any shortfall eventuate below \$2 million, this shortfall may be placed with other investors eligible under section 708 of the Corporations Act.
